

MISSION STATEMENT

The mission of the Independent Banks of South Carolina Association is to provide a forum for the exchange of ideas and information; to provide education opportunities for, and facilitate interaction between community banks; to communicate to the banking public the vital role which community banks play in each local community; to maintain the dual banking system; to be an advocate for Federal and State legislation and policies which provide for sound economic development and which preserve the competitive position of our members; and to advance and safeguard the American system of community banking in the belief that it is best suited to provide financial service to the diversified communities in the United States.

The Association offers a wide range of services and activities to its membership. Some of these services include seminars and workshops, newsletters, directory and employment information. Activities planned for the community includes public and private program involvement, exhibits, and local community involvement.

The Association's goal is for the Independent Banks to be a vital part of South Carolina's economic well-being and to serve the communities in which they are located.
